

PAGES WILL MIMIC  
MEN IN CONGRESSPresident Wilson and Others to Be  
Invited to See Parody On  
Legislative Body.The National Fraternity of Pages at  
their regular January meeting last night  
decided to hold a benefit performance  
on March 6 to which President Wilson,  
Vice President Marshall, Speaker Clark,and Chief Justice White will be invited.  
Other prominent persons in Washing-  
ton will also be asked to see members  
of Congress impersonated by the pages.  
Committees were appointed last night  
to make arrangements for the perform-  
ance under the direction of M. D. Crow-  
ley, who was appointed managing di-  
rector. Oswald E. Camp, William M.  
Rhodes, Joseph C. Noel, and Frank A.  
Porterfield were appointed assistant di-  
rectors.  
The performance will take the form of  
a parody on the work of Congress, and  
the leading figures of that body will  
be impersonated by members of the  
pages' fraternity. Every member has  
served as a page in Congress, and the  
ways of men in public life are familiar  
to them.WINTHROP DEPLORES  
REPORT ON PANTHERAssistant Secretary of Navy Says  
Department Will Always  
Give Out Facts.Following the safe arrival of the re-  
pair ship Panther off the Cuban coast  
yesterday, as stated exclusively in The  
Times yesterday afternoon, AssistantSecretary of the Navy Winthrop issued  
a statement deprecating the widely pub-  
lished reports regarding the probable  
ill fate of the vessel, and declaring the  
department will always immediately  
give out any report it receives of any  
disaster to vessels.  
Earlier in the day Assistant Secre-  
tary Winthrop had made public a state-  
ment from the Bureau of Operations  
that it was reasonable that the Panther  
should not arrive off the Cuban coast  
until perhaps today.  
The Panther started for Guantanamo  
when reported yesterday had gone  
past Guantanamo and on to the Gulf  
of Guaymas where winter larger  
practice will be held.Eastern Star Order

new division which takes its name,  
it is announced, from the country home  
of John R. McLean. This new chapter,  
whose members live in Tenleytown, will  
be formally organized and officers in-  
stalled this evening in Masonic Hall,  
Tenleytown, by Grand Patron C. F.  
Roberts.J. J. Astor Advertised  
To Sell Piano FortesThe first piano forte advertisement  
that ever appeared in an American  
newspaper, was published in a New  
York journal 134 years ago today. It  
read as follows: "John Jacob Astor,  
at No. 81 Queen st., next door but one  
to the Friends Meeting House, has for  
sale an assortment of Piano Fortes of  
the newest construction, made by the  
best makers in London, which he will  
sell on reasonable terms. He gives  
cash for all kinds of Furs, and has for  
sale a quantity of Canada Beaver, and  
Beaver Clothing, Mink Skins, and  
Raccoon Blankets, Muskrat Skins, etc.,  
etc."Capt. and Mrs. Willard  
Hurt in Motor CrashCapt. Joseph E. Willard, formerly  
Lieutenant governor of Virginia, and  
Mrs. Willard, who spend a part of each  
year in Washington, are recovering  
from injuries received in an automobile  
accident in New York yesterday. They  
are at the Hotel Gotham. Captain and  
Mrs. Willard were driving in a taxicab  
on Fifty-fifth street, near Fifth avenue,  
when a limousine owned by Frank V.  
Strauss, publisher of theater programs,  
crashed into it. Both were cut and  
bruised by flying glass and splinters.More Chickenpox
